An Abstract of an Act for Regulating the Price and Assize of Bread.

BY this Act, a Statute, Entituled, *Assiza Panis & Cervisiæ*, made in the 51st Year of King *Henry* III. is so far repealed as it relates to the Assize of Bread; and it is Enacted, That from the first of *May*, 1710, the Court and Lord Mayor of London, the Chief Magistrates of any other City, Town Corporate or Borough, or two or more Justices of the Peace in such Places where there are no Chief Magistrates, shall from time to time Ascertain and Set, in *Averdupois* Weight, the Assize and Goodness of all sorts of Bread to be sold within their Jurisdictions, having respect to the Price of Corn in the neighbouring Markets, according to the following Table.

A Table of the Assize of Bread, in Pounds, Ounces, and Drams, *Averdupois* Weight.

Explanation: In the First and Last Columns is the Price of the Bushel of Wheat, from 2*s.* to 15*s.* the Bushel, the Allowance of the Magistrates to the Baker for Baking being included: And in the other Columns is the Weight of the several Loaves. So that (for Example) if the Price of Wheat is 5*s.* the Bushel, and the Magistrates allow 1*s.* 6*d.* the Bushel to the Baker for Baking, then even with 6*s.* 6*d.* in the First or Last Column, will be found the Weight of the several Loaves; but if the Price is 3*s.* the Bushel, and the Allowance 1*s.* then the Weight of the said Loaves will be found even with 4*s.*

NOTE, *That the White Loaves are One Half, and the Wheaten Three Quarters of the Weight of Houshold Loaves.*

The Price of the Bushel of Wheat, and Baking.	Small Bread.									Larger Bread.										The Price of the Bushel of Wheat, and Baking.
	The Penny Loaf.						Two Penny Loaf.									Six Peny Loaf.			Twelve Peny Loaf.			Eighteen Peny Loaf.
